Cutting Instructions

1. Fussy cut center block as pictured, adding 1/4" seam on all sides outside design. (Cut size will be approximately 8-1/2" x 10-1/4".)
2. Fussy cut four strips of triangles as pictured, adding 1/4" seam on each long edge outside design: Cut two strips of purple triangles approximately 12" x 2". Cut one each of pink and red triangles approximately 13" x 2". (Extra length allows for centering of design and will be trimmed after stitching.)
3. Fussy cut four strips of turtles as picture, adding 1/4" seam allowance on both sides outside design. Cut two rows with turtles' heads going right approximately 28" x 1-1/2". Cut third strip with heads going right approximately 13" x 1-1/2". Cut one row with heads going left approximately 13" x 1-1/2".
4. Cut two strips of pink big dots fabric 13" x 2-3/4". Cut two strips of spots and dots print 13" x 3-1/2". Cut two strips of skin print 28" x 3". Cut two strips of zebra print 28" x 3-1/2".
5. Cut backing fabric 28" x 30". Cut batting same size.
6. Cut three 2-1/4" wide strips x fabric width for binding.

Sewing Instructions

1. Center strips of purple triangles along left and right sides of center block as pictured, lining up edges of designs. Stitch seams along design edges. Press seam towards center. Trim excess fabric, square with block edge.
2. Center pink triangles strip along bottom edge of center block as pictured, lining up edges of designs. Stitch seam along design edges. Press seam towards center. Trim excess fabric, square with block edge. Repeat with red triangle strip on top edge.
3. Center short row of turtles with heads going right on top edge of block, lining edges of designs. Stitch, press seams towards center. Trim excess fabric, square with block edge. Repeat with small row of turtles with heads going left on bottom of block.
4. Stitch strip of big spots print to strip of spots and dots print. Press seam towards big dot print. Repeat. Center fabric strips at top and bottom of block. Sew seams along turtle design line. Press seam towards center. Trim excess fabric, square with block edge.
5. Center remaining strips of turtles left and right sides of block. Refer to picture making sure rows are going in correct directions - left side walking up, right side walking down. Sew seams along turtle design line. Press seam towards center. Trim excess fabric, square with block edge.
6. Stitch strip of skin print to strip of zebra print. Press seam toward skin print. Add to side edges of block in same manner as step 5.
7. Sandwich backing (right side down), batting, and quilt top (right side up). Baste and quilt as desired.
8. Stitch the short ends of the three 2-1/4" wide strips of binding together. Fold binding wrong sides together lengthwise. Bind quilt.
