-------------------	---------------------------

- 2 yards of 44/45" wide batting

### **Quilt Construction:**

1. Trim the panel to 22 ½" x 39 ½".
2. For the corner friendship stars: Cut sixteen - 2½" squares of multi color dot. Cut four - 2½" squares of black granite. Cut two - 2 7/8" squares of each pink, blue, green and purple granite. Cut eight - 2 7/8" squares of multi color dot.
3. Make 4 half square triangles from each of the 2 7/8" cut squares of pink, blue, green and purple granite and the multi color dot. Using the 2 1/2" squares of multi color dot and the black granite for the centers of the stars, complete the nine patch friendship stars.
4. From each of your 1/8 yard cuts (with the exception of the checks), cut one strip each measuring 2 ½" x the width of the fabric. Using the front picture as a guide for fabric placement, sew 4 units of 3 strips each together. Trim 2 of these units to measure 39½" in length, and the remaining 2 to measure 22 ½" in length.
5. Sew one of the 39½" units to the left side of the panel, and one to the right.
6. Sew a friendship star unit to the top and the bottom of a remaining strip unit. Do the same with the second remaining unit.
7. Sew one of the completed strips in step 6 to the top of the panel quilt, and one to the bottom.
8. Sandwich the quilt top between batting and the 2 yards of multi color dot. Quilt as desired. Cut binding strips from the checked fabrics, and bind per your favorite method.
